

Pesquisa ASCOM 2019

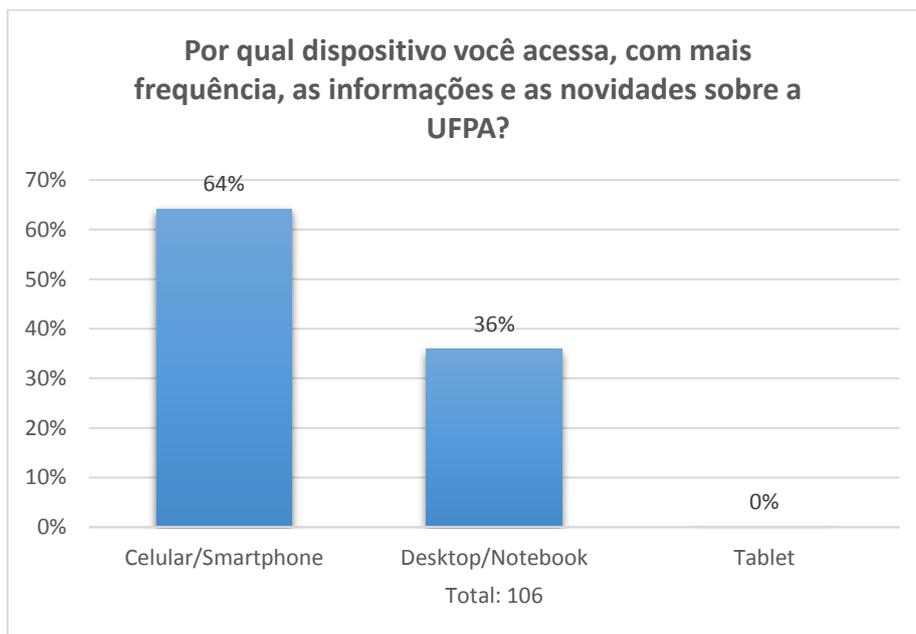

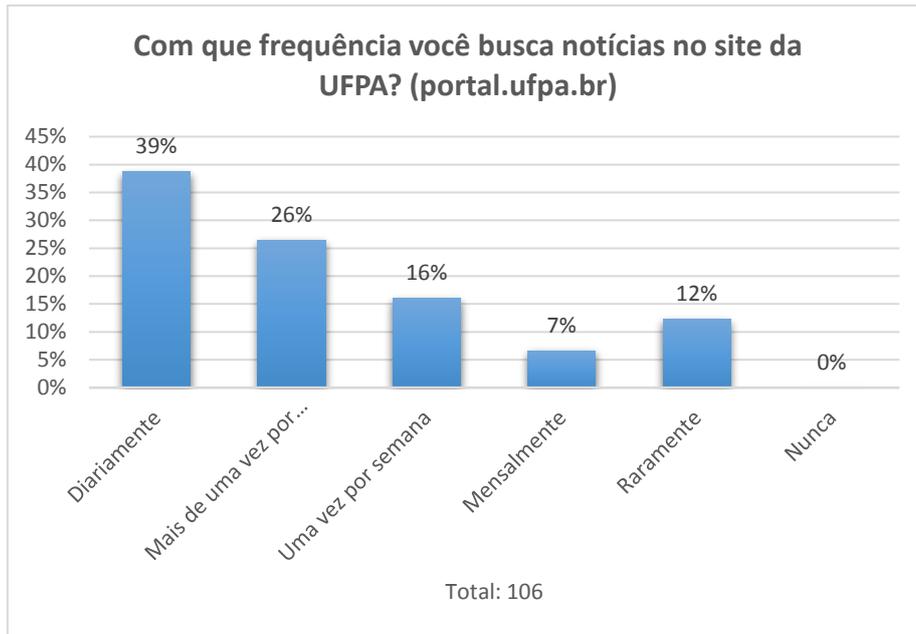

Dentro do objetivo estratégico no PDI 2016-2025 da UFPA, “Aprimorar a comunicação institucional”, foram propostos no PDU da Ascom, como ação tática, a realização de uma **pesquisa on-line** de satisfação dos serviços prestados pela ASCOM/UFPA. A pesquisa foi realizada no mês de dezembro de 2019.

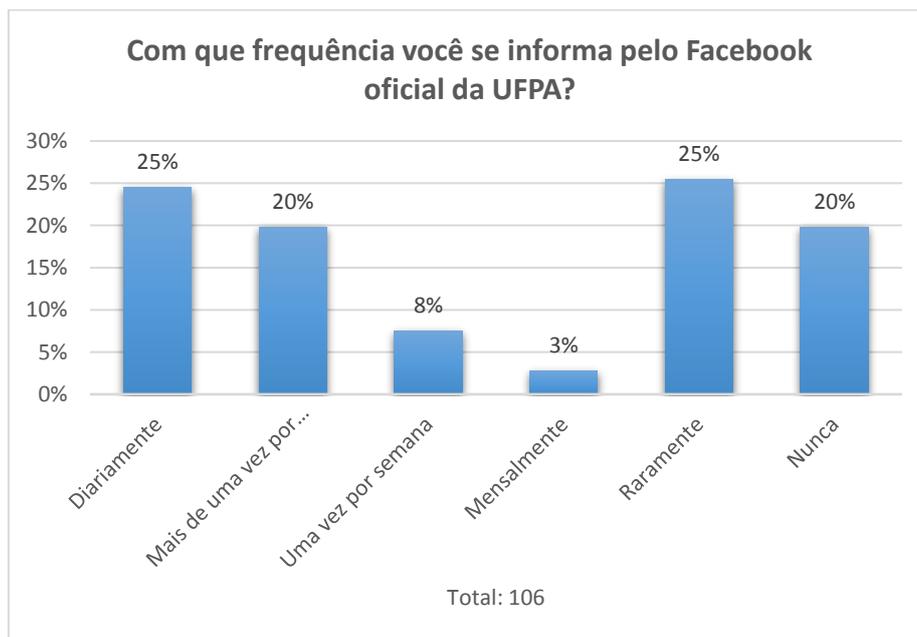

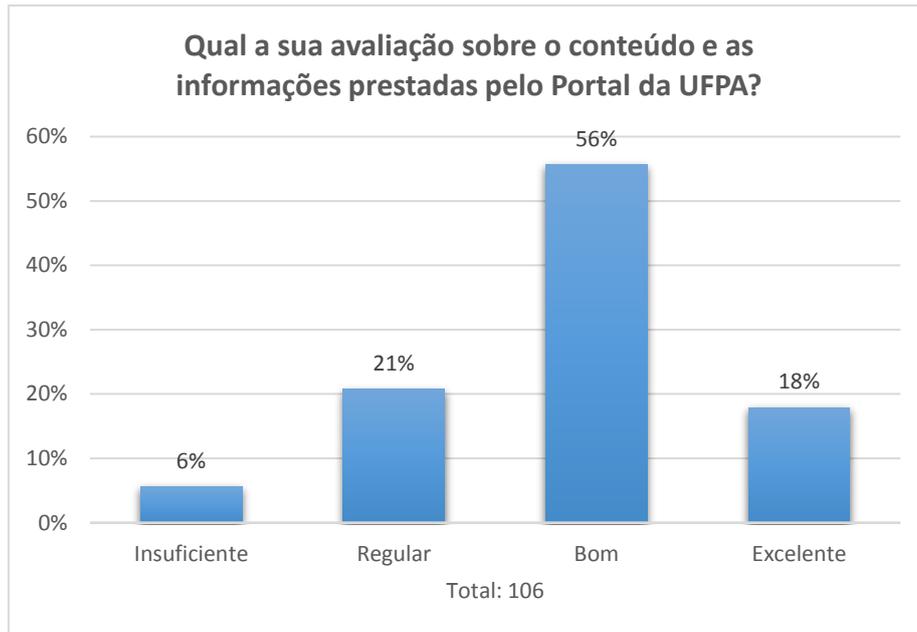

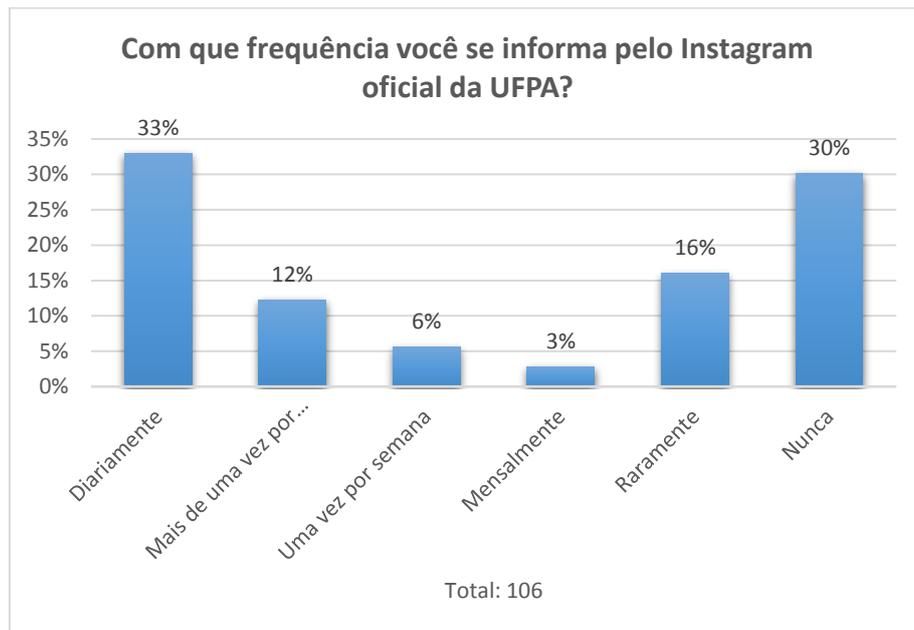

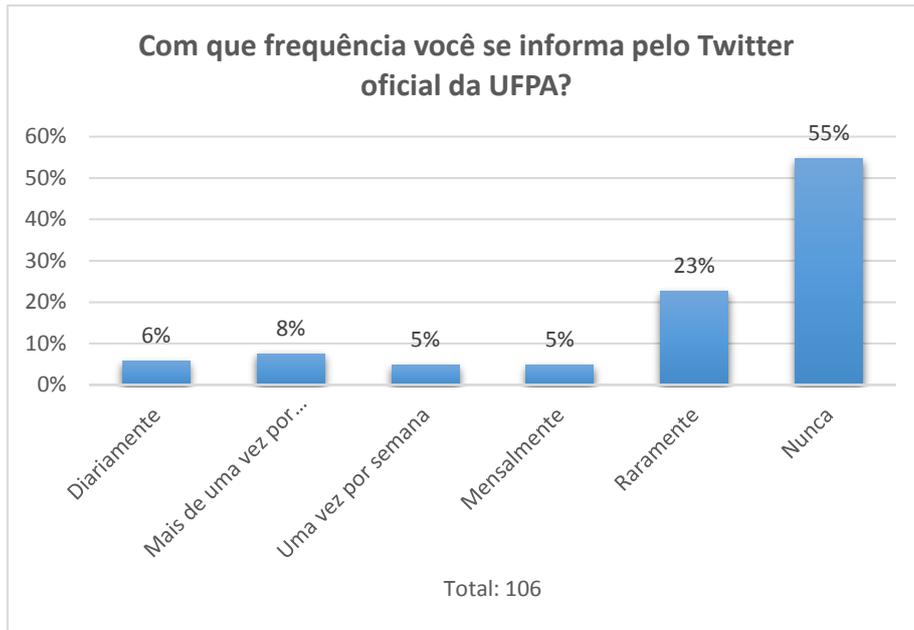

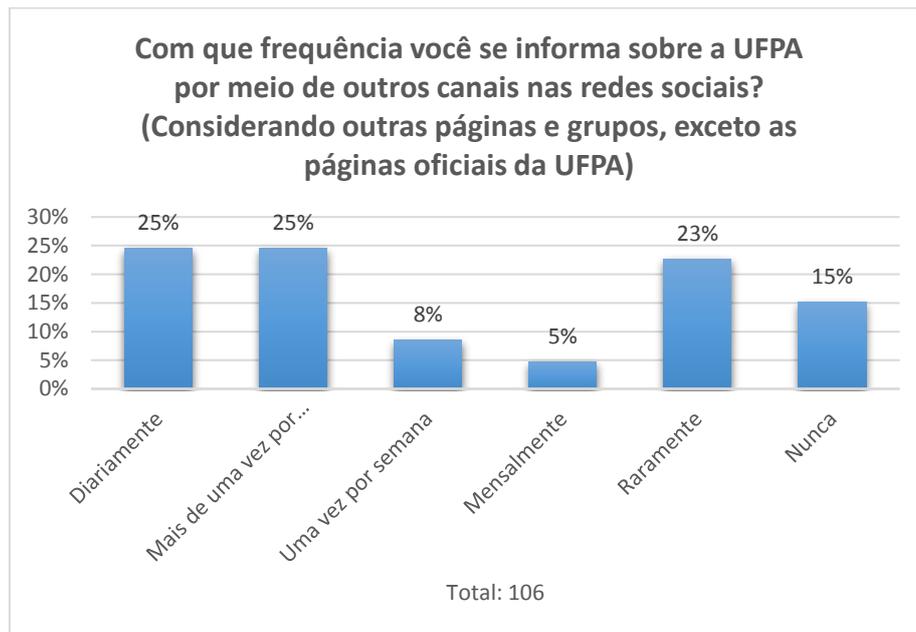

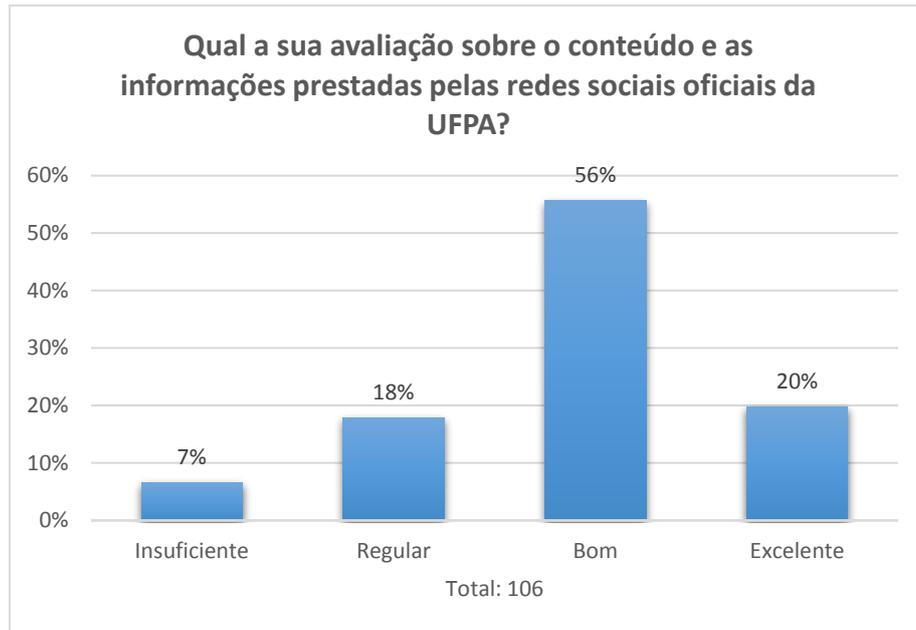

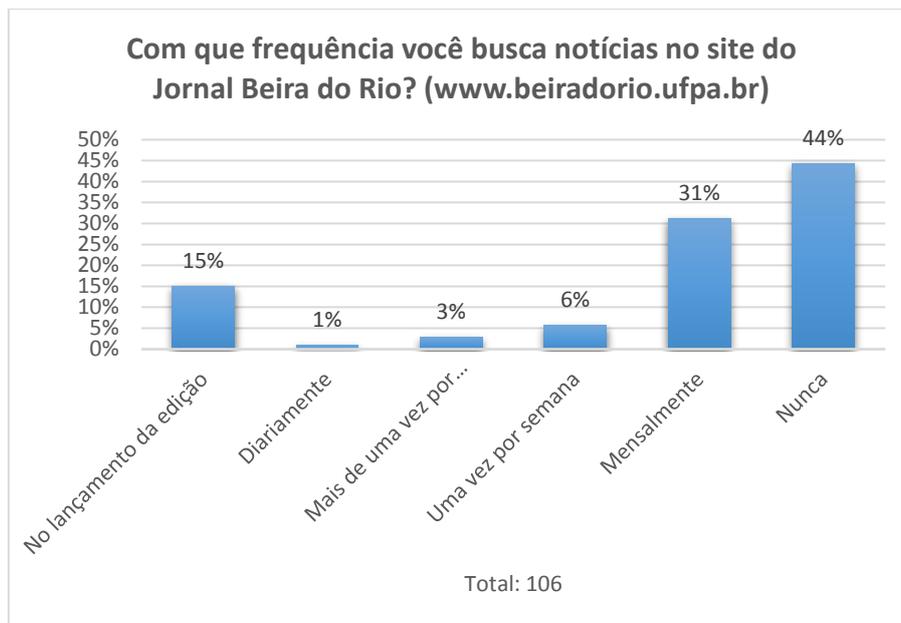

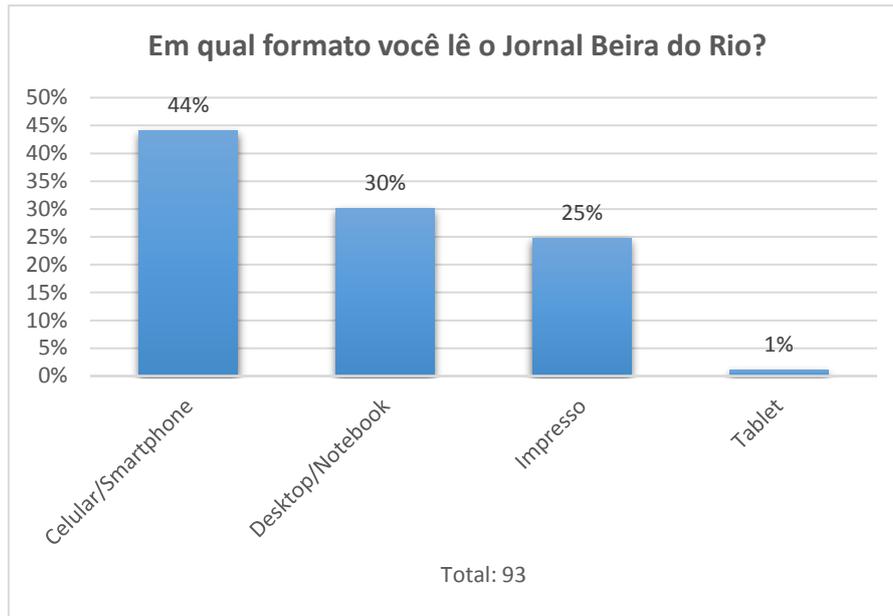

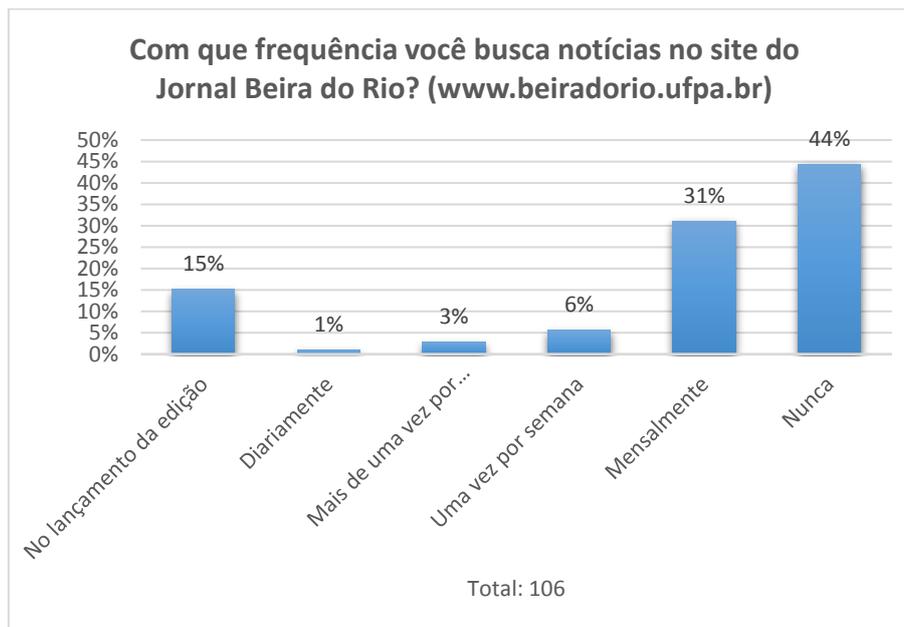

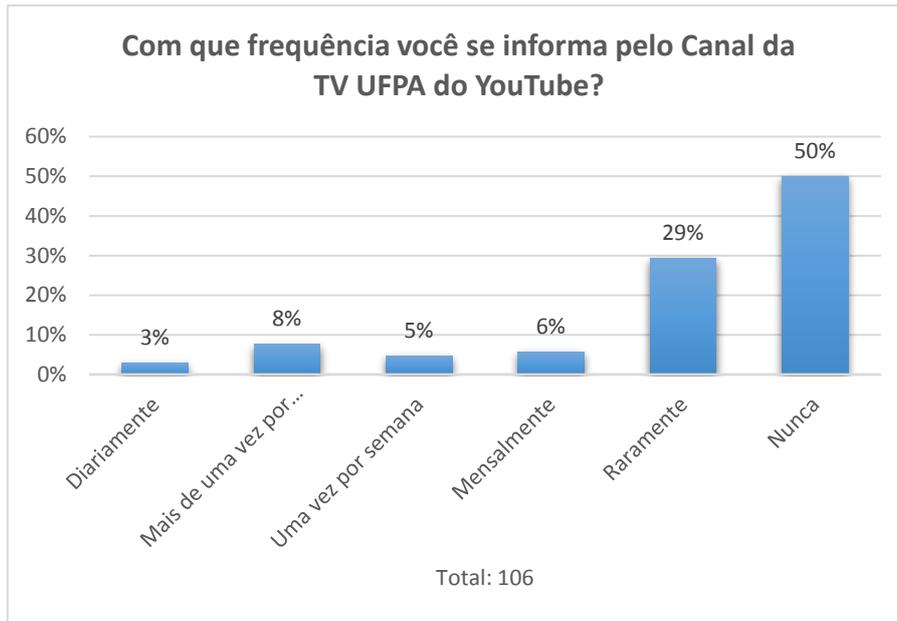

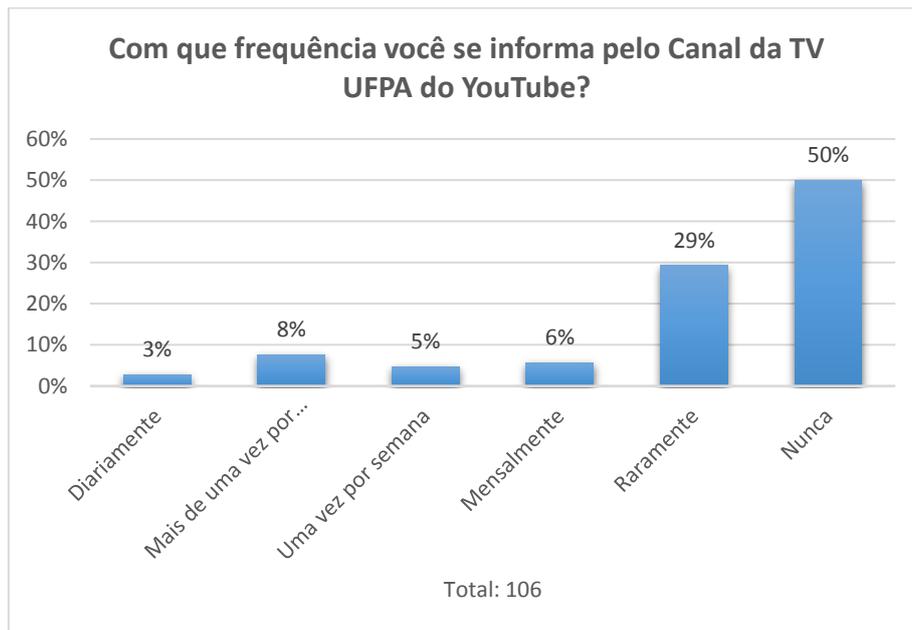

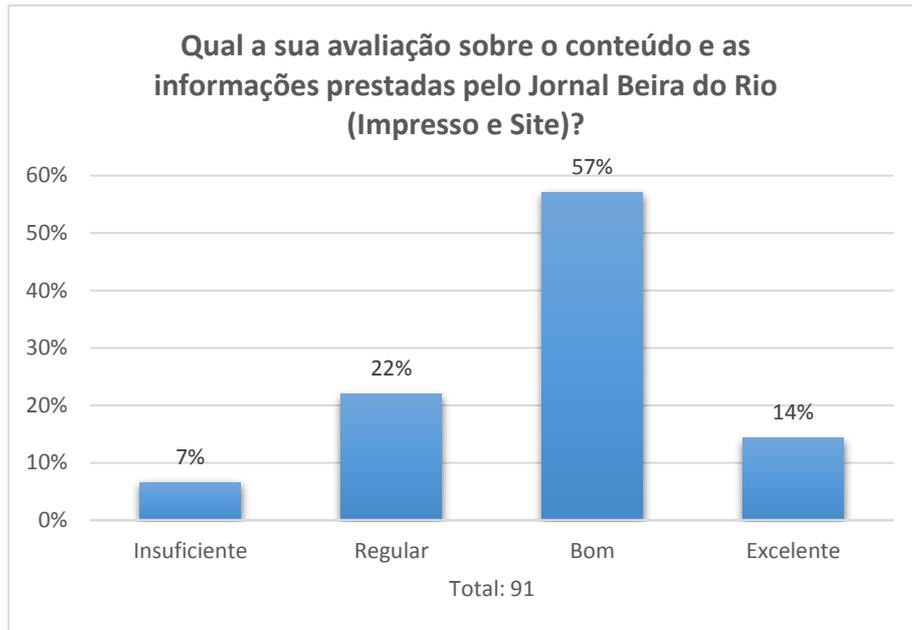

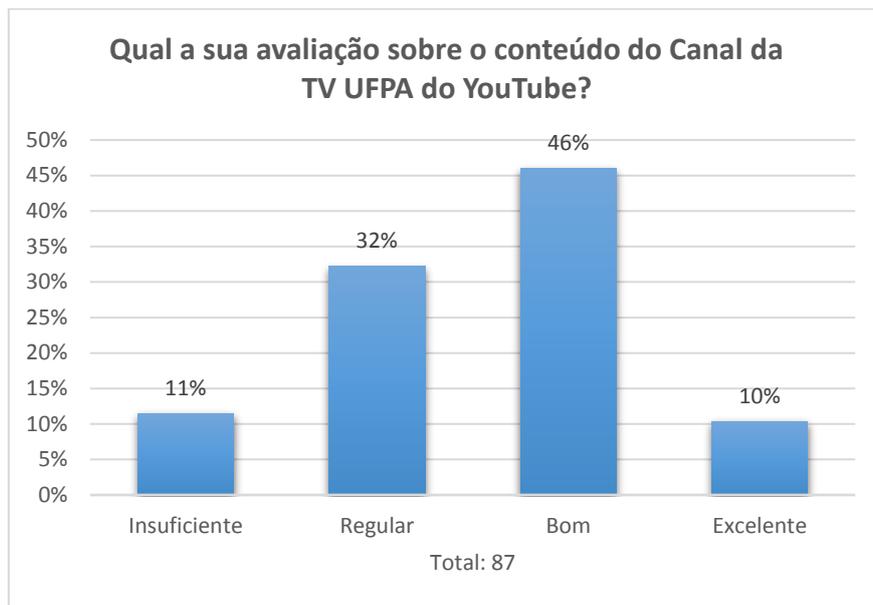

Com o intuito de proporcionar a melhora constante desses serviços, em 2020, realizaremos uma nova pesquisa on-line para continuar auferindo o que a comunidade interna da Universidade pensa e quais as impressões sobre os serviços prestados pela Ascom/UFPA.
